1 Frank Morgan Statement of Qualifications

2 Mr. Frank Morgan has lived in a waterfront home in Discovery Bay, California for the past
3 18 years. He has been boating in the Delta consistently for forty years.

4 In 2012, Mr. Morgan started a houseboat charter tour business called Captain Morgan’s
5 Delta Adventures, LLC. Mr. Morgan is a U.S. Coast Guard Licensed captain and his tour boat, the
6 Rosemarie, is a Coast Guard certified vessel. The business has grown exponentially over the years,
7 hosting 135 cruises in 2015. Mr. Morgan and his wife and co-owner, Melinda, were awarded the
8 2017 Assembly District 11 Small Business of the Year by Assembly member Jim Frazier on June 5,
9 2017.

10 Captain Morgan’s Delta Adventures offer customers historic and scenic vistas of the Delta.
11 The Rosemarie cruises down many waterways of the East Delta, and the other half of the day
12 explores some of the Delta region’s most hidden treasures such as the Electric Train Museum in
13 Suisun City, the only operational Japanese Bath house left in the country located in Walnut Grove, a
14 visit to the town of Locke for the history of the Chinese who built the levee system, and much more.
15 Through living and operating a charter business, Mr. Morgan has gained a deep and thorough
16 understanding of the Delta and Delta recreation.

17 Mr. Morgan is familiar with the reaction of the Delta users to disruptive events. He has
18 observed first-hand how the blue-green algae bloom, water hyacinth, and the drought affected
19 recreation businesses. Mr. Morgan is a key figure in the Delta recreation industry, and able to
20 provide unique insight into the Delta community and the potential devastating impact on the Delta
21 recreation industry.
